

Year 2: Coding

- ### Themes
- Using algorithms
 - Collision detection
 - Coding a timed sequence
 - Object types and actions
 - Debugging

- ### The Coding Process
- Design
 - Algorithm
 - Code
 - Run and Test
 - Debug

Code View

code blocks

events

actions

sequence

Collision Detection

collision detection event

collision detection action

Design View

objects

attributes

button object

animal object

turtle object

Timer

interval

when key event

when swiped event
